

Year One

Autumn Term 1 Newsletter

English	<p>This half term we are working on our new 'I'm a Clever Writer' approach to writing, which is an approach to writing that is being followed throughout the school. We will be focusing on handwriting initially. The children will learn to sit at the table properly and hold a pencil correctly, form letters correctly, start and finish in the right place and make sure all letters sit on the line.</p> <p>We will then move onto retelling the stories of 'The Three Little Pigs' and 'The Rainbow Fish'. The children will learn to think, say, remember and write a sentence with a time word – first, next, then, after that and finally. Additionally, your child will read with a teacher in a group weekly.</p>
Maths	<p>This half term the children will be learning place value within 10, sorting numbers, counting and recognising numbers, reading and writing numbers, addition and subtraction, comparing numbers and finding 1 more and 1 less. They will also be recognising and sorting 2D and 3D shapes.</p>
Science	<p>In science we are learning about the human body. The children will learn about the five senses and which body part is used for each. They will also learn about sensory impairment.</p>
Foundation subjects	<p>Geography - we will be looking at spatial sense, exploring aerial views, maps and compasses.</p> <p>DT - the children will make and prepare dips and vegetables. <i>We would very much appreciate a contribution of £2 per child for this to go ahead, and we will notify you when this is available to pay via the Gateway app.</i></p> <p>Art - focuses on the use of colour where we will be discovering how artists such as Mondrian and Monet use and mix primary and secondary colours.</p> <p>RE - we will be looking at special people including people who are special to the children and adults in the class.</p> <p>PSHE - focuses on being part of a team and which teams, such as family, school and sports clubs the children belong to.</p>

Key Dates & Reminders
