

Year 2

Autumn Term 1 Newsletter

English	This half term we are working on our new 'I'm a Clever Writer' approach to writing, which is an approach to writing that is being followed throughout the school. In writing lessons, we will be reading and writing retells of traditional tales. The children will consolidate their learning from year 1 and start to use question marks at the end of questions. Children will bring home a reading book (for the children to read themselves) and a library book (for adults or older siblings to read to the child). <i>Changing reading book days are Monday and Thursday.</i> Library days are Fridays. Children must read their reading book at least four times a week to an adult. Please sign in their reading diary every time the child has read out loud to an adult or older sibling. Every Monday, Monkston points will be awarded to children reading 4+ times a week.
Maths	In maths, we will be counting forwards and backwards to 100 (year 1 consolidation). We will be ensuring that the children understand the place value of digits in a number to 99. After the children have mastered these skills, we will be introducing practical and written methods for addition and subtraction.
Science	In science, we will be investigating habitats that are around our local area, such as our school pond. We will also be thinking about our own habitat and why we live in the area we do.
Foundation subjects	Geography – 'Spatial Sense' (maps and their properties) RE – 'Special Celebrations' - Hanukkah PSHE – 'Think Positive' Computing – 'Presenting Information' Art – 'Colour and Shape' Music – recognising the pulse and rhythm using instruments and voices <i>History and DT will follow in the second half of the autumn term.</i>
