

Year 3

Summer Term 2 Newsletter

English	The children will be learning how to write a character description based on a witch from the story of 'The Last Happy Ending'. They will then retell the stories of 'Monsoon' and 'The Owl who was Afraid of the Dark'. They will also learn to write a postcard. The children will continue to focus on organising ideas into paragraphs, prepositional openers, present perfect tense and speech.
Maths	The children will continue to learn about time including units of time and durations of time. They will practise telling the time on a clock (including a 24-hour clock). In their shape unit, the children will learn about different types of angles and lines. Children will then move on to learn about 3D shapes including their names, characteristics and how to create their own versions. They will end the year by completing a statistics unit where they will interpret different types of charts and graphs.
Science	In science lessons the children will continue to learn about plants and how a plant grows. They will also learn about forces with a specific focus on friction. They will investigate magnetic/non-magnetic materials and learn about the magnetic poles. The children will then look at the meaning of biodiversity and ways to encourage it in our local area.
Foundation Subjects	Art – Architecture Computing – Animation Geography – Western Europe History – The War of Roses Music – Fly With The Stars and Samba PE – Commando Joe's and athletics PSHE – Aiming High RE – Signs and Symbols French – Verbs and adverbs in French sentence and classroom objects. Friday 22nd July – Last Day of Term

Activity Passport

For our Activity Passport so far, we have eaten something you've not made before, made bug hotels, created a mosaic picture and made up a playground game. This half term we will be completing some more of the activities - we are excited to make a clay magnet, create our own quiz and learn how to say our names in sign language! Please send in any pictures of the children completing any activities from their home section - the final projects from home are due in to school by **Friday 27th June**.
