Dear Parents / Carers,

Year 3 Production

Last week year 3 wowed us with their production of 'David Hattenscarf and the Wonders of the World'. They performed brilliantly and with such enthusiasm. Well done year 3!

STEM Afternoon

The children started the day with a lively STEM themed assembly led by Miss White, our science lead and a scientist in her former carer! It was then brilliant to welcome over 200 parents for our STEM afternoon. It was great to see so many parents and children engaged in a range of activities.

Bicycle and Scooter Security

I know many pupils like to ride their bikes and scooters to school which is great exercise, but it is important that these are stored securely. Last week, an unlocked bike was stolen from our bike shed which is very close to the public footpath. Please ensure that your child has a bike lock for their bike or scooter. **Alternatively**, bikes can be stored further down the path just beyond the main office. The gates at that point remain locked throughout the school day and should therefore be safe without a lock during school hours.

Toys in school

I would like to remind parents that children are not permitted to bring toys, trading cards or items such as friendship bracelets into school. We ask for your support in ensuring items such as these remain at home.

Kind regards

H. Williams

Mrs Hannah Williams
